Why I love working with WorldStrides Canada

I have loyalty to such amazing sales representatives!

A snapshot of my teaching career

I taught at Cawthra Park Secondary School from 1989-2019 in the music department. I also held the title of Music Department Head from 2004-2019.

My favourite hobbies

I love golf and working as a freelance pianist.

A WorldStrides Canada trip to remember

I was the leader of a group of 100 students that travelled to Italy. We toured Rome, Florence, Siena, and Venice—which included us performing at the Vatican! The variety of experiences, as well as the amazing performances we attended, were beyond compare!

What inspires me to organize educational tours

I love taking music students to attend and perform shows in wonderful locations around the world. There's nothing better than watching your students experience the joy of music outside of their own bubble.

Why I can help you lead a successful educational tour

I'm a good organizer with a strong attention to detail. I enjoy meeting new people and working with tour guides on trips. I'm also great at consensus building—this skill definitely comes in handy while touring.

My all-time favourite travel story

I travelled to New York City numerous times in my career. We've performed at the Cathedral Church of St. John the Divine, St. Patrick's Cathedral, Intrepid Museum, Bandstand in Central Park, and more—these performances were always my favourite part of the trip!
